The TAE10 Training and Education Training Package

VIA offers customised programs to meet the needs of Industry and Business Sectors throughout Australia. The TAE10 replaces the TAA40104 and is designed to deliver high quality and flexible programs to meet Industry and individual needs through an expanded range of units.

Learning Pathways

Formal training programs
Customised In-house programs
Distance learning
On-line

Industry Trainer and assessor

Four units designed to meet national standards and regulations of a range of industries in particular the resources sector.

Upgrade to Certificate IV TAE40110 from the TAA Industry Trainer and Assessor Program

This upgrade program is for people who hold the 4 units for the TAA package, TAADEL301C, TAAASS401C, TAAASS402C and TAAASS404C. There are seven units to be achieved with credit transfers for three (3) of the TAA units.

The Certificate IV TAE40110

The Certificate IV requires 10 units to be attained, electives are available for specific enterprise or industry needs.

Nationally Recognised Qualifications

As a Registered Training Organisation (RTO) the Institute offers a selection of national training package qualifications for individuals up to Advanced Diplomas. These qualifications offer flexible development and recognition pathways. VIA has credit transfer opportunities with a number of Universities towards a range of Degrees upon completion of a range of VIA Diplomas, subject to application to individual Universities.

Funding opportunities exist to reduce training costs through Existing Worker, New Entrant Traineeships, Strategic Skills funding and Productivity Places for a range of qualifications
